FABRICS

We have travelled the world seeking the finest upholstery fabrics, from William Morris inspired jacquards to exquisite Italian-made cotton velvets. Our design team have an encyclopaedic knowledge of fabric and will source the perfect fabric for you, whether it is leather, linen, mohair, horsetail hair, pure wool, a delicate silk, or a unique vintage piece. Please check with our team regarding fabric availability for this design. Currently, it is only available in one fabric.

LEGS

Elevating a bed creates a more airy, welcoming environment. At Savoir you can select from minimalist hardwood blocks, contemporary metals such as bronze or chrome, hand carved rosewood and Georgian style with brass cups. Alternatively, you can commission our craftspeople to reproduce a classic design or create something completely unique.
